Code of Conduct

The Adelaide Chapter of the Harley Owners Group exists for the reasons as outlined in the Annual Charter for H.O.G. Chapters. These are stated as follows:

1. The purpose of the local chapter shall be to promote responsible motorcycling activities for H.O.G. members by conducting chapter activities and encouraging participation in other H.O.G. events.
2. Chapter activities and operations shall be conducted in a manner consistent with a family orientated, non-political philosophy.

The Adelaide Chapter has both a moral and a legal obligation to provide a safe and friendly environment for members, guests and the public in general.

The purpose of the Code of Conduct is to provide guidance on the standard of behaviors expected as an Adelaide H.O.G. Chapter member, which includes:

- Behaving in a manner that reflects positively upon the Chapter, H.O.G and the Sponsoring Dealer
- Abiding by the Annual Charter for H.O.G. Chapters
- Adhering to all Chapter rules, regulations and guidelines along with ensuring your motorcycle is registered and roadworthy.

The conduct of members that will not be tolerated and that may result in having your membership cancelled and expulsion from the Chapter include, but is not limited to:

- Aggressive and abusive (both verbal and physical) behavior
- Discrimination (sexual, racial, religious, physical) or bullying
- Undermining Chapter events or activities including disruptive or coercive behavior
- Conduct that creates segregation or disharmony within the Chapter
- Derogatory or defamatory comments towards the Chapter and its members
- Unsafe riding, which includes alcohol or drug impaired, speeding, hooning or irresponsible riding that puts members and the public at risk
- Failure to abide by the reasonable and lawful instructions of the Director or Primary Officers

Breaches of the Code of Conduct

It is not possible to outline all possible breaches to the Code of Conduct however general standards of public behavior, common sense and individual circumstance all influence the behavior under which we operate our Chapter.

In all cases of infringement, these will be considered by the Chapter Officers and their decision will represent the Chapters overall view and a formal disciplinary process will follow as

- First infringement: formal written warning from the Chapter Director and Sponsoring Dealer and will stay in effect for one year from the date of issue.
- Second infringement: formal written warning from the Chapter Director and Sponsoring Dealer and will stay in effect for one year from the date of issue.
- Any subsequent infringement will result in the immediate cancellation of the individual's membership.

Under the Charter Rules of Association, should the offence be considered severe, immediate expulsion from the Chapter can occur.

All members have the right to appeal and their case will be heard by the Committee.

I agree to abide by the Code of Conduct
